the years ahead. We do not know exactly
how God will use this space, but it is

1 CHRONICLES 29:14

THE HILL

**A MINISTRY BASE FOR
THE NORTH**

THE CHALLENGE BEFORE US

To step into the future unhindered, our prayer as a region is to raise:

- **\$500,000 by the end of Nov 2025**
— which would cut the amount owed down to a manageable size

If we could raise \$800,000 this would clear what we owe completely! That way, every dollar given goes into ministry, not into servicing debt.

HOW YOU CAN BE INVOLVED

- **Pray** — give thanks for what God has already done, and ask Him to provide what is still needed
- **Consider** — what part God might have you play in this
- **Give now** — a one-off gift during this campaign or ...
- **Pledge now to give in 2026** — if that timing works better for you
- **Look forward** — to the gospel fruit that will come as The Hill becomes a home for ministry in the region

Large or small, every gift contributes to the whole.

WHY THE HILL?

Since Modbury was planted 15 years ago, we have longed for a base where ministry could grow through the week. It's been the same for all four churches planted in the north. Sundays in school halls have been a blessing — but outside Sundays, there has been no base of our own, no visible presence in the community, & no place for midweek ministry to grow. 'The Hill' at Holden Hill changes that. Our prayer is that it will become a space buzzing with gospel life: youth gatherings, evangelistic courses and training nights, community care and celebrations, Bible studies and a place where our evening church can launch. A place where people of all ages can hear the gospel, grow in faith, and be sent out to serve.

HOW WE GOT HERE

After Hill Street Church closed they gifted some proceeds from the sale of their building towards establishing a hub for gospel ministry in the north. In August 2025 a property was identified & after prayer, inspections, & careful negotiation, it was purchased for **\$2.6 million** by a trust established for this purpose by the **Trinity Church Trustees**. Thanks to Hill Street's generosity much of the purchase price is covered. There is a shortfall, however, & with fees & fit-out this comes to about **\$800,000**. The Trinity Church Trustees have agreed to loan funds to enable the purchase, which will need to be **repaid** over time with **interest** of initially around **4%**. This is a wonderful provision — but it is still debt & will restrict our future ministry if it stays on our books.
